NOTICE TO OUR VALUED GUESTS

On 13 Kartik 2083 B.S. (30 October 2026), at approximately 11:30 a.m., a fire broke out following a gas leak in the kitchen of Hotel Good Luck, Dingboche. Our hotel is situated on the Everest Base Camp trekking route, approximately 4,410 meters above sea level.

The fire spread throughout the hotel, destroying the valuable belongings of many Nepali and international guests. Our family's belongings and the hotel we had built through years of hard work were also lost.

Unfortunately, these losses are not covered by insurance. Due to the severe financial difficulties we now face, we are unable to provide financial assistance to affected guests at this time.

We are deeply sorry for the loss and distress you have experienced. We understand that many belongings held personal value beyond their financial worth. We sincerely ask for your understanding and humbly seek your forgiveness during this difficult time.

Thank you for your kindness and understanding.
